**SMILES**

\*Walmart had to remove 50,000 milk cartons for their labels to be changed from "Open here" to "Open at home".

\*Circuses struggle to find new clowns as top prospects continue to go into politics.

\*In order to make an appointment with his doctor, a man had to update his computer operating system, download an app, get a username, choose a password, log in to a health portal, navigate to messages, and then write his doctor. By then, it was too late...he had died.
