THE NEWSLETTER OF THE ST. STANISLAUS
COLLEGE ALUMNI ASSOCIATION TORONTO

Volume 12, Issue 4 December 8, 2006

On the Web at:
WWW.TORONTOSAINTS.COM

From our new Association President:

A call for supporters to join the Association in the coming year

Letter from the President:

Fellow Alumni and friends,

Thank You.

Yes, thank you for allowing me to serve as your President for 2006-2007. Assisting our alma mater to rise up from the ashes, like the phoenix, to be #1 in secondary education in Guyana is the primary focus of our Executive and Association.

We intend to go about this objective from many different directions. Primarily, we need to rekindle the spark in our alumni brothers and sisters everywhere to jump in and help. Yes, we need your help, please.

Our dances have been well received by our patrons and have provided the financial reward to fund many of our infrastructure projects at the college, but by far the most rewarding was our Wall of Fame project which will continue into Phase 2. We will ask our alumni and friends of St. Stanislaus to be even more generous in their donations to the ongoing Wall of Fame Phase 2.

In addition, we will endeavour to set new standards of entertainment for our supporting patrons with a few innovative fund-raising activities, so be on the look-out for news of these events.

None of this will be possible without your support. We need you to join our Association, either as a full fledged member or an associate. \$25.00 per year is less than a good dinner in a fine restaurant or lunch for two in an

upscale fast-food diner, but to us, it shows your commitment to giving back to your roots at Saints. We are where we are today because, in some small way, of the influence of that short period of our lives we spent at Saints. Can we count on you? I know we can depend on you to check out the membership form on the last page.

As reported in the Stabroek News, Tuesday, September 5 2006

St. Stanislaus College Students perform well at GCE, CAPE, CSEC exams

Seven St. Stanislaus College students are among the top performers at the General Certificate of Examinations (GCE), receiving Grade As and Bs.

Four St. Stanislaus students are also among the top Caribbean Proficiency Examinations (CAPE) achievers, obtaining Grades One and Two, and six are high scorers at the Caribbean Secondary Education Certificate (CSEC) exams, a press release from the St. Stanislaus Board said.

At the GCE, the top achievers are Michon Sukhoo-Pertab, Deokumar Lachhman, Michael George, Veronica Griffith, Jason Griffith, Avinand Rampersaud and Suresh

Charles. They all obtained Grade A and B passes.

Obtaining Grades One and Two at CAPE are Anjanie Ramlall, Suresh Charles, Swarsatti Bharrat, and Michon Sukhoo-Pertab.

Meanwhile, Romeo Isaacs is St. Stanislaus College's top CSEC student, acquiring ten Grade Ones, with three of them being distinctions. Rukhmini Nauth achieved seven Grade Ones, while Mahendra Saywack and Aneisha Lewis secured six Grade Ones, and Sara Diaram and Sheromanie Harkishun five Grade Ones each.

Additionally, there were 100% passes in 11 subjects.

Very encouraging reports from Saints

As a new school year begins at Saints, the first under the direction of the Board of Governors, all indications are that the dedication and the hard work invested by the Board and members of staff, have been well worth it. A report (below) from Chairman Chris Fernandes indicates that a new optimism is in the air at Saints, on the part of students, staff, and also parents.

Dear Des and Rupert,

Thanks for your financial support in the refurbishment of the Second Form class rooms and conversion of the old canteen to a new bookroom. Thanks also for the material used in the reconstruction of the staff room which has been very well received by the staff.

We have successfully completed our first week of the new school term. It has been a most encouraging experience, and I must confess that for the first time there is evidence that we have made an impact on the quality of Education being delivered at Saints. It has taken us almost one year building relationships with the staff, having organized two successful workshops. Our efforts were rewarded when at a meeting on the 8th September with the parents of Forms 2 to 6, we had a ninety percent turn out of staff. The parents too were most receptive, and the mood at the conclusion of the meeting of both the parents and staff was unbelievably positive and appreciative of the work done so far by the Board.

What has helped immensely in our success has been the appointment of Mr. Wendell Archer as the Administrator. Wendell himself is an old boy who graduated in 1966. He has taught all of his life and retired in 2004 at the age of 55 as the Deputy Head Teacher of the Cyril Potter Teachers Training College. His supervision of our pre-school preparation was extremely helpful, and having a representative at the College on a daily basis is invaluable. He knows the Education System and can relate to what we know as a Jesuit Education.

We have a number of new teachers appointed, some of whom are former students. Discussions have been held with the Bishop and the newly appointed local Jesuit Supervisor with respect to the recruitment of Jesuit priests to teach Science and Maths at the College in the Sixth Forms. They are both very receptive, and we are hopeful that we may get assistance next year. We are pleased to report that we are in discussion with a Jesuit scholastic who is in Guyana for one year and who is willing to assist in the teaching of IT and English Literature. We are hop-

ing to have his appointment confirmed shortly.

Book Lists have been issued to students of all levels. Books are supplied by the Ministry for the core subjects, but parents do have to buy for the remaining subjects. We are waiting to see how many may not be able to afford them before considering what assistance we may be able to offer with your help. If we did get involved in providing some books, we would have to introduce some measure of a security deposit and arrangements to ensure the recovery of the books at the conclusion of the school year.

With the assistance of Alfred Bulai, a former student of the College who was head of the Science Department at Saints for a number of years, we plan to have inventories of the Labs done and documented. Alfred is also expected to review the syllabuses of the Physics, Chemistry, and Biology classes and to provide us with a list of our needs which we will share with you.

We will also seek advice on the setting up of our Modern Language Lab. For your information, Mr. Maynard is no longer with us. He has resigned effective 1st Dec. and may well be on leave between now and then. When we obtain the above information we would communicate further with you.

This term, as you know, is athletics. We have explained to both the parents and students the importance of sport in producing well rounded individuals. The Sports Subcommittee has already had a number of meetings, and we are confident that Sports 2006 will be a tremendous improvement on what students have been accustomed to at Saints.

Even the teachers seem enthusiastic. It is scheduled for the GCC on 5th Oct. We will arrange for a comprehensive report, photographs, etc., to be forwarded.

This weekend, the President has announced his new Cabinet. Dr. Henry Jeffery is now the Minister of Foreign Trade. Mr. Shiek Baksh, former Minister of Housing and Water, is the new Education Minister. Dr. Desrey Fox has also been assigned the newly appointed post of Minister within the Education Ministry. Not sure what that means but we will explain when her responsibilities become clear. We will have a meeting with the new team as early as possible so as to ensure the continuity of their support.

We are asking that we be given until January to decide on the question of the ISO 9000 certification programme. While we are encouraged by recent developments, we want to be certain that we do not waste anyone's

See Page 3, Saints Report

Recent renovations at Saints include modern Teachers' cubicles (left) and a Staff Room lunch area (right). Cubicles were provided by Old Boy Rupert De Castro, and furnishings were provided by Cross International through the efforts of another Old Boy, Vic Gonsalves. For several years now, Cross International has been contributing to renovations at Saints.

Saints Report, continued from Page 2

money. Clive, we know, is enthusiastic and eager, but we know the reality of our situation. We propose to have another Christmas Raffle this term, which will be drawn in December. Plans are also being drafted for a Saints Reunion Dinner and Dance to take place to coincide with the Feast of St. Stanislaus in November.

I have tried to give you as comprehensive a report as pos-

sible of work done in preparation for school. I will appoint a representative to keep you informed on a monthly basis. I have attached some pictures.

With sincere thanks and best wishes.

Chris Fernandes.

Chris Fernandes is the first Chairman of the Board of Governors. See Page 5 for a report on the newly held Sports Day.

News from The Antigua and Barbuda Association

Robin Shaw reports from Antigua as the new Association works to establish itself and breaks new ground with every activity they host.

How is it going?? The caps were well received and thanks again to the Toronto Chapter. We are currently selling them to members in our ongoing fundraising efforts.

Incidentally, we had a Saints Family get together at my home on Sunday last; it was well attended by members and their families. Rose and the Baby are here and also par-took.

Great camaraderie, with real-time greetings to the Saints Antigua Chapter from a popular radio station (compliments of Bobby Reis); a 50/50 raffle draw held; lots of food and drink, including a big pot of Goat Water (meat from a fresh young kid); a big pot of Fish /Conch broth (back bracer); 2 big pots of Chris Cameron's famous Cook-up Rice, (nuff salt beef and plenty hog ass); 12 pounds of Fried/Breaded Guyana Banga Mary; chocolate and mango ice cream, salads, cakes and, of course the Spirits just couldn't done.....Beer & Rum fah soooo. All in all, a very successful first outing; we are certainly getting there.

Introducing Antigua and Barbuda Alumni Association members:

Back Row L-R: Chris Cameron, Billy McDavid, Abe Reis, Dean Whitehead, Mike Collins, Frank DeAbreu, Robin Shaw, Bobby Reis.

Front row L-R: Farah Cheong, Neicia Bagot, Peter Park, Marcel Pollard-Butler, Karen Chan-A-Sue-Whitehead.

Not present: Keith Thompson, James DeFreitas, Ken Fisher, Steve Camacho, Albert D'Ornellas, Sharon Forde-Glasgow, Ashley Hanley, Paul DaSilva

On Saturday 11 November, we will be attending a Mass to celebrate the 140th anniversary of the founding of Saints.

Robin Shaw

Membership

At the close of this year, membership in our Association numbered 116. 75 of these are renewals from last year, and the remaining 41 are new. The Association urges you to show your support for Saints by becoming a paid-up member. Better still, come out to our meetings, join in our discussions and help to determine the course of our Association.

Names in *italics* indicate members who have paid since the last issue of the newsletter was published.

New Wall of Fame Subscriptions

The following have purchased a plaque for the Wall of Fame since November 2005.

Errol Chapman (Major Donor),

Peter Fernandes (Cornerstone Donor)

On the way to Saints

The Association recently sent another shipment to Saints. It consisted mainly of books, 81 boxes of them, and 10 computer monitors. Also included are a printer, a DVD player and miscellaneous office supplies.

Contact Us

The Association welcomes your feedback. Please direct your comments, enquiries, or articles you would like published to :

The Secretary, St. Stanislaus College Alumni Association

(Toronto), 4544 Sheppard Avenue East, Ontario, M1S 1V2. You may contact the Secretary, Roger Devers, by phone at Home at 905-277-3226 or at Work at 905-270-2811. You may also contact us by email at admin@torontosaints.com.

Reliving old times at Saints

This group of Old Boys found time recently to meet in Toronto and reminisce about their days at Saints.

Seated, left to right are: Greg Khelawan, Warner Veerasammy, Des Jardine, Bernard Arokium, and Paul Camacho.

Standing, left to right are: Frank Camacho (Paul's brother), Patrick Smith, and Ronald Lee.

The News & Views is happy to report on such meetings of alumni. Keeping in touch goes a long way towards helping to Keep the Traditions Alive. So, let us know about your get-togethers so that we can share them with our readers.

Saints Sports Day Report

Hello Ken,

Kindly forward this to all the Alumni chapters for their information. My contact list is not as complete as yours!!!

I am attaching some results of the Saints Sports Day which was run off yesterday Thursday 5th October, 2006, at the GCC ground, Bourda. The Field events Finals were run off at YMCA as Saints Ground could not be ready in time due to the excessive rainfall.

It was a glorious sun-shiney day for Sports and though we started off late, we eventually caught up with the program and ended at the scheduled time.

ALL had fun! The students were very proud of the medals they won. They would not take them off. They were walking all over the Rohan Kanhai stand with them around their necks and enjoying the clinking sound they made. Thank you, Toronto Chapter!!!

The students participated well and had a good time and deserved the day-off from school today.

We had the Amateur Athletics Association of Guyana doing the scoring and timing of the events. The Cyril Potter College of Education provided officials as well.

We were joined by the likes of Trevor Gibbs, Charles De-Freitas, Oliver Hinckson, and Allan La Rose who are all now committed to the revival of Sports at Saints. The

Chairman of the Board of Governors, Chris Fernandes, was there the entire day.

A very successful Sports 2006, and the next one should be even better!!!

Now some results. We resurrected the Junior & Senior Victor Ludorum cups, and they were presented as such to preserve the history of these trophies.

We bought two other trophies for the Girl champions.

Junior Victor Ludorum – R. Deonarine Under-12 Butler

Junior Champion Girl – E. Milner Under-12 Galton

Senior Victor Ludorum – N. Gordon Under-14 Butler

Senior Champion Girl – W. Stanford Under-14 Galton

Points Standings

| | |
|-----------|-------|
| Butler | 878 |
| Etheridge | 829 |
| Galton | 756.5 |
| Weld | 590 |

So Butler successfully defended the title they won in 2005, in 2006!!!

Best Regards,

Raymond Shaw

ALUMNI IN THE NEWS.

October 13, 2006

Announcement by Magna Cosma International on the appointment of Terry Devers (Saints, 1971) as Vice President, Manufacturing and Quality Systems:

In addition to supporting the divisional quality systems, Terry will provide guidance and coordinate Best Practices

Sharing and Lean Activities in manufacturing to ensure the production of high quality products. Terry's 20 years experience at Cosma, his wide knowledge base, and his proven ability as a leader who can motivate those around him to persevere through challenging situations, will continue to be a great benefit to our organization.

Toronto Association honours three founding members at its recent Fall Dance.

At our recent Fall Dance, President Art Veerasammy, on behalf of the Association presented Bob Chee-a-tow (above right), and Paul Camacho (middle right), with plaques in recognition of their service. At our subsequent monthly meeting, a similar presentation was made to Hugh Hazlewood (lower right).

Bob, Paul, and Hugh are founding members and stalwarts our Association. They worked initially to make the Association a viable, fund raising organization for Saints, and they continue to work to maintain the success of our Association.

Thank you, Bob, Paul, and Hugh for all you have done to help improve the lives of a new generation of Saints students.

The Association wishes to thank all those who attended the Fall Dance.

Art Veerasammy presents Patricia Da Silva with her raffle prize won at the Fall Dance. Other prize winners were: Christine Rose, Mark Chee-a-tow, and Eling Laidlaw.

Welcome to two new members of the 2007 Executive

A Profile of Godfrey Whyte, Asst. Secretary, SSCAAT

On behalf of the members of the St. Stanislaus College Alumni Association, Toronto, we welcome Mr. Godfrey Whyte, both as a new member and to the Executive Committee. He attended his first meeting of the Association on 28 September last, which happened to be our Annual General Meeting, and was elected to the position of Assistant Secretary.

Godfrey attended Saints from 1961 to 1968, when he graduated with French, Latin and English Literature at 'A' level. His best subjects were French and Latin for which he gives great credit to his First Form Latin and French teacher, Mr. Stanley (Marko) Marques, who had an inimitable style of teaching and classroom management; he would let the class know that he was very willing to pull off his belt and whip troublesome boys on their "bare, bare bottoms". Godfrey was so scared of Marko that he decided, very early, that the only way to preserve his 'bottom' was to concentrate on his

French and Latin studies. He also intensely disliked turning up for detention on a Saturday morning in full school uniform, as was the norm in those days. He became so proficient in language and literature that he won a French Government scholarship in 1969 to study French and Applied Linguistics at L'Universite de Besancon, France (1969-1973).

Upon finishing L.es L and M.es.L degrees he returned to Guyana where he taught at Queen's College for a short while. Then, in 1974, he left Q.C. to teach French full time at the University of Guyana. He remained there until 1980, when he moved to Jamaica to teach French at the University of the West Indies. Between 1981 and 1993, Godfrey not only taught French at U.W.I., but he was able to update his knowledge in Applied French Linguistics and Descriptive Linguistics at Indiana University on a Fulbright scholarship, gaining Masters' degrees in both areas. In 1993, he returned to Bloomington, U.S.A., to branch into studies in Instructional Systems Technology. He completed the course work for a PhD in 1996 before moving to Toronto where he is now an employee of the Toronto District School Board.

He has great admiration and fond memories of the dedication of the many Jesuit and lay members of staff he encountered at Saints and appreciates most of all their emphasis on the formation of character. *Salve, Godfrey!!*

Ken Cumberbatch

A profile of Frank B. Delph

At our recent AGM, on 28 September, 2006, the outgoing President, Des Jardine, welcomed Frank Delph, as the newest member, to his first meeting of the SSCAAT. Later that night, the newly elected President, Art Veerasammy, congratulated Frank on his election to the position of Vice President on the new Executive Committee.

Frank is a native Lindener, who was born at Wismar (Linden), and who lived in the bauxite town of Mackenzie until he was about 8 years old. It was around that time that his parents decided to move to the 'big city', George-

town, so he could attend Mr. Dolphin's private school. After just three years there, he was enrolled into 2A at St. Stanislaus College.

Frank fondly remembers his school days at Saints where Fr. Smith was then Principal and the Jesuit teaching staff included Frs. Marques, Boase, Gill, Scannell, Lynch, Feeney, and Earle. Messrs Yhap, Denny and Compton Singh comprised the 'lay' teachers. However, he has one 'unhappy' memory: the time when his stay at Saints was almost suddenly and unceremoniously cut short. Frank was in Fourth Form when, during a Religious Doctrine class taught by Fr. Gill, he was brazen enough to "rhetorically question the Church's position with respect to Communism". Fr Gill immediately told the young Frank that "if I had my way, you would be expelled immediately!" Fortunately for Frank, Fr. Gill did not have his way then, and Frank went on to become Head Prefect from 1951 until he graduated in 1953.

St. Stanislaus College Alumni Association Toronto, founded in 1993, is devoted to making St. Stanislaus College the best educational institution in Guyana. It provides financial aid and other aid to the college, which was founded by Fr. Langton S. J. in 1866. Formerly run by the Jesuit Order of Catholic Priests, the school was taken over by the Government in 1976, with Government-appointed teachers replacing the clergy in 1980.

Saints News & Views publishes four issues each year. The articles published represent the opinions of the authors, and do not necessarily reflect those of the publisher.

Saints News & Views welcomes contributing articles from its membership. The publisher reserves the right to edit or publish all submissions solely at its discretion.

Frank Delph, continued from Page 7

Some of Frank's close school chums included Jimmy Kranenburg, Leslie Cummings, Stanley Greaves, Gerrard Bailey, and Raymond Pancham. Together, they often 'hung-out' at Mount Eagle for mauby and white-eye, and Ferraz's for pourie, potato balls and Canada Dry!

Upon graduating from Saints, Frank joined the Government Service as an apprentice Surveyor in the then-recently formed Drainage and Irrigation Department of the Ministry of Works and Hydraulics. He worked there for 8 years before leaving to join the Demerara Company. Three years later, in September 1964, accompanied by his wife, Mary, and their two children, Frank jr. and Diane, he immigrated to Canada.

On arrival here, he decided to pursue further studies to obtain his professional licence in order to conduct land

surveys in Ontario, followed by a commission, which permits him to practise land surveying anywhere in Canada. Consequently, he holds the professional designations: O.L.S. and C.L.S.

Between 1964 and 1984, Frank worked his way up to Management, holding such positions as Manager of Legal Surveys and Support Services. Then, in 1985, Frank was invited by one of the partners, for whom he worked, to establish their own company, Monaghan Delph Limited. That partnership lasted for five years, until Frank established his present company, Delph and Jenkins Limited, in 1990. He is now the President of his successful company of land surveyors and he looks at least ten years younger than his real age!! *Salve, Frank.*
